(Activities will take place at each venue)

What is Compus?

This experiential learning program aims for participants to improve their skills through engagement and collaboration.

※The program is run in Japanese,
w/ English support.

Sample Program Content

Pair Work (Active Listening)

Experience the difference the listener's response makes.

Introducing your Interview Partner

Interview and learn about your partner. Introduce your partner to others.

Group Work (Mini Project)

Engage in group activities to collaborate with fellow participants.

©Our staff will be there for you!
