Haven't joined us yet?

This is a great opportunity!

## What is Compus?

This experiential learning program aims for participants to improve their skills through engagement and collaboration.

※The program is run in Japanese,  
w/ English support.

### Sample Program Content

#### Pair Work (Active Listening)

Experience the difference the listener's response makes.

#### Introducing your Interview Partner

Interview and learn about your partner. Introduce your partner to others.

#### Group Work (Mini Project)

Engage in group activities to collaborate with fellow participants.
